

EMOYA RHINO CONSERVANCY

World Rhino Day is celebrated every year on 22 September to raise awareness about the five rhino species i.e. the greater one-horned rhino, Sumatran rhino, Javan rhino, black rhino, and white rhino.

When it comes to saving rhinos, we know what works. But raising the funds we need is no easy task. It takes a pretty rare breed of donor to pay for all that makes this incredible work possible - boots for rangers, binoculars for rhino trackers or fuel for the unit's vehicle... Most expensive is feeding through winter time. Then medicine... Vet check-ups etc; all vital components in the many practical rhino conservation projects that we support. We will also appreciate any other donations, animal feed, sponsorships or any other items or services that can assist us.

This is why our corporate partners are our champions, helping us to make a difference to Critically Endangered rhinos, incredible rangers, and local communities living in some of the planet's most important ecosystems.

Be part of our Rhino month. With every R3000 or more sponsorship from your company we will give you a game drive for 8 employees to get to meet our Rhinos Shaka and Shakira.

All Donations can be made to:
Mogwele Trading 57 (PTY) LTD
Standard Bank: 041 281 098
Branch No: 051001

Or contact Jenny for more information or to find out how you can assist us further
